**DZAWADA'ENUXW FIRST NATION
MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING
MARCH 31, 2017**

The accompanying financial statements of Dzawada'enuxw First Nation are the responsibility of management and have been approved by the Council.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report.

The external auditors, Moeller Matthews, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of Dzawada'enuxw First Nation and meet when required.

On behalf of Dzawada'enuxw First Nation:

Independent Auditors' Report

To the Members of Dzawada'enuxw First Nation

We have audited the accompanying financial statements of Dzawada'enuxw First Nation, which comprise the statement of financial position as at March 31, 2017, and the statements of revenue, expenditures and accumulated surplus, change in net debt, cash flows and the related schedules for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the First Nation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Dzawada'enuxw First Nation as at March 31, 2017, and the results of its operations, the changes in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

DZAWADA'ENUXW FIRST NATION
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2017

1. Basis of Presentation and Significant Accounting Policies

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

(a) Reporting entity

The Dzawada'enuxw First Nation reporting entity includes the Dzawada'enuxw First Nation government and all related entities that are controlled by the First Nation.

(b) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets.

Tangible capital assets are written down when conditions indicate that they no longer contribute to Dzawada'enuxw First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

Buildings	25 years
Automotive equipment	5 years
Computer equipment	3 years
Furniture and equipment	5 years
Infrastructure	25 years

DZAWADA'ENUXW FIRST NATION
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2017

1. Basis of Presentation and Significant Accounting Policies (continued)

(c) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

(d) Measurement uncertainty

In preparing the financial statements for the Dzawada'enuxw First Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of significant estimates include amortization and the allowance for doubtful accounts. Actual results could differ from these estimates.

2. Cash

Under the terms of an agreement with Canada Mortgage and Housing Corporation, Dzawada'enuxw First Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the replacement reserve.

Cash and cash equivalents is comprised of the following:

11. Contingent Liabilities

Dzawada'enuxw First Nation has entered into contribution agreements with various federal government departments. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

In addition, in the normal course of its operations, Dzawada'enuxw First Nation becomes involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded on Dzawada'enuxw First Nation's financial statements.

12. Contractual Obligations

The nature of Dzawada'enuxw First Nation's activities can result in some multi-year contracts whereby it will be obligated to make future payments. Significant contractual obligations that can be reasonably estimated are as follows:

2018	18,299
2019	8,496
	26,795

13. Economic Dependence

Dzawada'enuxw First Nation receives a significant portion of its revenue pursuant to a funding agreement with Aboriginal Affairs and Northern Development Canada. The nature and extent of this revenue is of such significance that the First Nation is economically dependent on this source of revenue.

14. Pension Plan

Dzawada'enuxw First Nation provides a defined contribution plan for eligible members of its staff. Members are required to contribute 5.5% of their salary. Dzawada'enuxw First Nation contributes 5.5% to the members contribution account. The amount of retirement benefit to be received by the employees will be the amount of retirement annuity that could be purchased based on the member's share of the pension plan at the time of the member's withdrawal from the plan. Dzawada'enuxw First Nation contributed \$20,542 (2016 - \$23,475) for its retirement benefits. Dzawada'enuxw First Nation does not have any other obligations with regards to the pension plan as at March 31, 2017.

15. Budgeted Figures

Unaudited budgeted figures have been provided for comparison purposes and have been derived from the estimates approved by the Band Council.

16. Comparative Amounts

Certain of the comparative amounts have been reclassified to conform with the presentation adopted in the current period.

REVIEW ENGAGEMENT REPORT

To the members of the Dzawada'enuxw First Nation:

At the request of the Dzawada'enuxw First Nation, we have reviewed the Schedule of Remuneration and Expenses of Chief and Councillors of the Dzawada'enuxw First Nation for the year ended March 31, 2017 prepared in accordance with the provisions of Section 7.3 of the Indigenous and Northern Affairs Canada Year-End Reporting Handbook for First Nations, Tribal Councils and First Nation Political Organizations. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the First Nation.

A review does not constitute an audit and consequently we do not express an opinion on this Schedule.

Based on our review, nothing has come to our attention that causes us to believe that this Schedule is not, in all material respects, in accordance with the provisions of Section 7.3 of the Indigenous and Northern Affairs Canada Year-End Reporting Handbook for First Nations, Tribal Councils and First Nation Political Organizations.
