Non-Resident (OFF RESERVE) Dzawada'enuxw First Nation Members

Re: Contact Information

Dear Non-Resident Members,

DFN Administration is requesting contact information for ALL currently registered Dzawada'enuxw First Nation off reserve members only. **Please share this out with relatives.** Registered DFN Members may fill out the forms for those that don't have access to computers – so long as correct band numbers and contact information is provided. We would like it for the following:

1. To distribute COVID dollars received for Non-Resident (off reserve) registered Dzawada'enuxw First Nation members only.
2. To find out if you would be interested in participating in the following: put a ✓ in the box.
 - A. Annual General Meetings,
 - B. Comprehensive Community Planning
 - C. Gaming Revenue Sharing Funding Meetings
 - D. Information on our Title and Rights Cases
 - E. Meetings on Traditional Governance
 - F. Language and Cultural Gatherings
 - G. Heritage Gathering 2023
 - a. Fund Raising Committee for Heritage Gathering 2023

Note that all members can have access to our “membership only” link on our website and request specific information at www.kingcome.ca

The new DFN council has two Off Reserve Portfolio holders:

Darren Lagis – council.darren.lagis@kingcome.ca

Julia McIntyre-Smith – council.julia.m.smith@kingcome.ca

Please return this letter with the attached contact form if you are interested in participating in any of the above. If you **aren't** interested, you can just return the Contact form. It can be emailed to me, faxed or mailed.

Please return the Contact Form by March 1, 2022, to receive the Covid funds. Cheques will be sent out to the addresses provided unless we receive official banking information for the member only.

Gilaskasla,

Robin Dawson

Interim DFN Administrator
